Additional notes:

Co-hosting Agency Options

Please Check One:

_____ We request to have a “Closed Class” and will be responsible for filling the course minimum of 20 students unless prior arrangements have been made with ISI Team.

_____ We cannot meet the minimum student requirements and would like to host the course and open the class to qualified, outside personnel and guests.

The _____ hereafter listed as “co-hosting agency” agrees to host the upcoming training course utilizing the selected option listed above. The co-hosting agency also agrees to contact ISI TEAM office, 30 days prior to the upcoming training course in the event the course cannot meet the minimum requirement of students. ISI Team will then decide if the course will continue to run as scheduled.
